CFL disposal

- **Unbroken CFL bulbs** should not be thrown in the trash. Contact operations to take the bulb to a proper recycling facility.

- **Broken bulbs** should adhere to the following cleanup steps:

1. Don’t touch it.
2. Sweep the pieces together with a brush or broom.
3. Clean up glass with a wet rag or towel.
4. Place the towel, along with the pieces, into a sealed plastic bag.
5. Contact operations for pick-up.
